

FIELD INSTALLATION INSTRUCTIONS

TITLE:	IDF FILTER CHANGE
NAME:	FII-011
ISSUE DATE:	11 Apr 2013
REVISION:	1

PURPOSE:

The intention of this FII is to demonstrate the procedure to change a filter.

PROCEDURE:

Step 1: Remove the center bolt to allow the filter to be removed.

Step 2: Locate the replacement filter kit.

Step 3: Replace filter and gaskets.

NOTE: To drain filter, remove the cartridge and dump reservoir.
